Hi Everyone –

Just a reminder that Tawanda sent around a revised 24(c) guidance document for your review. I'm actually reviewing it now myself and will provide comments for Tawanda by COB tomorrow. Tawanda and I both will be in the office tomorrow, if you want to chat about it in person.

Thanks much,
Bo

All –

For your review and comment, attached is the revised FIFRA Section 24(c) Guidance document. The document attempts to address the States' and Rick's comments. I will also note that I recently received additional feedback from Rose Kachadoorian which has also been incorporated as needed. Should you have any immediate questions or concerns please let me know.

Regards –
Tawanda
